

International Leucaena Conference

Brisbane, Australia 29th October - 2nd November 2018

<https://leucaenaconference2018.org>

You are invited to attend an international conference on the tree legume leucaena (*Leucaena leucocephala*) and other species in the Leucaena genus to be held in Brisbane Australia from 29th October to 2nd November 2018.

The Conference

The most experienced scientists, extension workers, and farmers will be brought together to share their knowledge for the benefit of ruminant livestock and agroforestry industries everywhere. The conference presentations, posters, and major decisions for future work and collaboration (R&D outcomes) will be made available via the online *Journal Tropical Grasslands-Forrajés Tropicales*

Venue and field trips

The Conference will be held at the beautiful University of Queensland St Lucia Campus in Brisbane Australia, and will include a 3-day field trip to visit some of the most successful large-scale leucaena graziers, followed by a 2-day conference at The University of Queensland
